Secretary – Marty was excused last month, stated because it wasn't distinguished in the minutes.
PASSED

Treasurers Report – See Attached

No RCM Report

H&I – No one showed up for the meeting. High Tower is a new unit and the guys are very interested and we need some more volunteers with NO felonies. Juvenile Probation needs men and women for Tues 6 PM for guys and 7 PM for girls. Need women for GCTC on Wednesday's.

PI – Schedules have not been printed. Since it was already a month past due and I noticed changes that I didn't have, I decided to not print. I have brought a copy with the changes that I know of for review. If you would like, I can go ahead and print this week and disperse or wait until next month to print. Please advise. Long story short, when Travis told us that the pager was paid up for 6 months by an anonymous donator, he in fact only paid for 3 months. The company has shut the pager off as of April 28th. Couldn't explain why it worked at the last area, but it doesn't anymore. In order for us to keep the same number, we have to make a decision today. They want \$150 to reinstate the phone number and 3 months paid at each time. It is \$45 per month. This means that we would need to pay 285.00 today in order to re-activate the pager. Make sense to anyone to continue this? Not me. In any event, we need to have a decision today so that I can take care of it tomorrow.

Activities – 7pm New Hope July 12th and Volleyball July 19th.

Literature – Have 2 orders to send in to World, but was told not to order literature during the month and I need to know what you would have me do, because of the pending proposal.

Web Servant – To the best of my knowledge, the website is accurate and up to date. Once again, if there are any changes/additions that need to be made, please email the web servant using the link on the web site. I do need to make sure that each GSR and GSRA submits there email address to me or if there group has a different email that they would like to use to please submit that one. This is NOT for emailing the minutes or any other area correspondence. This is strictly for the web site. In other words, this is only if someone wants to contact your group either via the GSR, GSRA or whomever your group delegates.

Also, let's talk about the Spanish conversion. The person who was translating has apparently decided not to do it since they are not returning any of my calls (or they no longer work for the school) In any event, I do not know where to go from here. I have attempted to contact other schools to no avail.

I have also not added Nuevo Comienzo to our web site as I needed further clarification on their meetings and then Travis left town. I don't know who to contact about that group as a whole since Travis was the contact person for them. Please advise on what you want me to do.

Intermission 3pm

Resumed 3:15PM

Serenity Prayer and 7th traditions of \$10 to H W/O D.

Sharing Session

- Feel we should order literature as normal, since we cant make a decision on the proposal
- Feel we should only order what was back ordered
- Why was David told not to order literature, when there hadn't been an official decision made at area?

Continued Discussion on literature and what to order and how much.....
