

Greetings,

03/04/12

As of today, I have not received minutes of the R.S.C held in Austin on 02/11/12. To the best of my abilities this occurred in Austin:

1: The RDM and RDA attended the Southern Zonal Forum in Monroe, La. World Board members were there to help present the materials in the C A R. The RDA and RDM both attended then gave a presentation on 2/13/12. Don K. and I arranged for RDA Gary M. to attend the workshop to be held in Huntsville next Sat. The region was divided into two zones for the RDA and RDM to help with the C A R. It is like a regional assembly. The group votes will be collected 4/7/12 in Houston for this part of the region.

2: The Convention Advisory Committee is requesting proposal for TBRCNA 14. The targeted area is a South Texas location.

3: Region needs support not only monetary donations, but in people to fill trusted servant positions. Presently we need Co facilitator, recorder, and Co treasurer. The Region had to use funds from the prudent reserve to pay expenses for this quarter.

4: The Texas State Convention was discussed in length.

5: We are co hosting TBRCNA13; I attended the past two meetings of the committee. It has openings for treasurer, arts and graphics, entertainment, and serenity keepers.

I have two receipts for attending the RSC. I am submitting them for reimbursement.

In service

Jack
