

Web Servant Report For February – ASC date January 29, 2012

Northside Area of Narcotics Anonymous

Glad to report our Website is doing great. I would like to acknowledge a few people who have contributed to our website. Tom K. has always been a tremendous help to me. If something ever happened to me he knows all the passwords needed for our website and server. California Steve for guiding me in the right direction in different programs used to build websites. Stewart for the CD he gave me as it saved me several hours' worth of work. Bob S. for allowing us to link to the HASCONA meeting schedule.

I haven't started on the table of content page for our website, but I will soon. Had another idea about having a news letter page, if we do this I will need for everyone to participate. This wouldn't cost us anything unless you wanted to print it. Just an idea, so think about it.
