

Web Servant Report January 8, 2012

Northside Area of Narcotics Anonymous

Our website is doing great. I have been thinking about adding a table of content page under categories to our website. It's just an idea I have to make our site more user friendly.

I haven't found a hit counter that I consider good so I haven't installed one to date. I want a counter that will show the number of visits to our website and not one that shows the number of visits to pages.

Just a reminder, we still need clean dates for the website and that each group has a web page(s) to post whatever you want about your home group. If you have a flier for your group email it to me and I will post it.

Search Engine Rankings as of 1/2/12

www.nascona.org	Key Words	Key Words	Key Words	Key Words
Search Engines	Narcotics Anonymous	Narcotics Anonymous meetings	Texas Narcotics Anonymous	Texas Narcotics Anonymous Meetings
Google			43	80
Yahoo	16	25	9	15
AOL			39	63
Bling	16	27	9	5

As you can see we are moving up in the rankings. I am getting an incredible amount of positive comments on our website. I will not post them as they are not really NA related and we know we have a good web site. I am always opened minded about any suggestions, so if you have any ...make them.

ILS,

Bob T.
