

Web Servant Report November 4, 2012 NASCONA

Our website is doing great. The hit counter is at 42,826 at present and is moving right on along which is good. This is a total of 3,577 hits for the month. This is an increase of 428 of individual hits from last month. The holidays are the reason for the volume of hits on our website.

Last month I asked each group to check their web page for mistakes and again I would like to ask each group do check their web page. Remember this is your page(s) and I will add what your group wants.

I would like to start a newsletter on our website. I used to belong to a group that wrote newsletters around the USA. We traded articles from time to time. I brought this up at the last ASC. This is a very inexpensive way for our area to have a monthly newsletter. Articles could include anything recovery related. Experiences with steps, traditions, concepts, or spiritual principles, poems, and cartoons.
