

Web Servant Report October 7, 2012 NASCONA

Our website is doing great. The hit counter is at 39,249 at present and is moving right on along which is good. This is a total of 3149 hits for the month. If there are any suggestions for our website just tell me and we can try them.

Again I would like to ask each group to check their web page for anything that needs to be updated. If you find anything that needs to be corrected email (bob@briefcasebob.com) me the change so I can correct it.

I don't know if we could generate enough interest, but I would be willing to put up a recovery related page for articles and poems. No one would need to be concerned about spelling or grammar as my program will make corrections. I have the paper work if needed to get legal permission.

Search Engine Rankings as of 10/7/12
