

Web Servant Report September 9, 2012 – NASCONA

Our website is doing great. The hit counter is at 36,060 at present and is moving right on along which is good. If there are any suggestions for our website just tell me and we can try them.

Just a reminder, each group and subcommittee has their own web page. Whatever you want posted will be posted. All you have to do is email me the changes.

I would like to ask each group to check out their web page for anything that needs to be updated. If you find anything that needs to be corrected email me the change so I can correct it.

Search Engine Rankings as of 9/9/12
