

Web Servant Report March 3, 2013 NASCONA

As usual our website is doing great. We have a lot of traffic on our website. The major reason is that I keep it updated as much as possible. However if no one sends me the updates or event fliers they will not be on the website. I will ask each group to check your group page for corrections or out dated information and then email me the correct information. Sorry my crystal ball broke a long time ago.

Our newsletter Northside News is doing well for being in its beginning stages. I added a cross word puzzle in this one and may do this from time to time. I still need articles, poems, and cartoons. I am pleased to say that I didn't write any articles this time except for "Upcoming Functions" on page 2.
