

Webservant Report NASCONA November 3, 2013

Our web site is doing great. We are still getting a good traffic count on our site. If you do a Google search for Texas Narcotics Anonymous NASCONA is in the first 3 pages and the 3 groups that have images on their web page are shown in the images section of the search engines. I add a link on our Home Page for the day's meditation in Just For Today. If anyone or group has any suggestion for our website just let me know.

I got an email from a lady this month that wasn't happy with NA. I did pass this along to you. My concern was that maybe someone had tried to represent themselves as an employee of NA. However, I don't know really what the circumstances were. Below is a copy of the email along with my response to the gentleman.

Hi Kathie,

First of all we do not have any employees nor do we hire anyone. We are a group of recovering addicts who meet regularly to help each other stay clean. Yes our back grounds will vary. We do not exclude any one nor will we ever tell anyone they can't attend or be a member of Narcotics Anonymous. You are a member when you say you are.

Hello, I am writing in an unusual case ... Some time ago, I used your services, and one of your employees face was familiar to me. At dinner with my wife, it turned out that he was a burglar, who 5 years ago broke into our home!!! This is ridiculous!!! How you can hire criminals? I found at least 3 bad entries for him at website for background check!! I am sure there are more!!! Please do something about it, things like that are ridiculous!!!

Akismet Spam Check: probably spam

I do get emails from our website from time to time. All of them are asking where to find a meeting in their area or town. I always reply very quickly as I spend a lot of time on my computer.

I will not be at the ASC this Sunday as I will be in San Antonio. If anyone wants to take over our website as the web master I will help them if they need the help. The site is built. All one would have to do is keep the site updated. I am not resigning as dead websites aren't good.

In Selfless Service,

Bob T.
