

March 2014 Activities Report

At the valentines dance wasn't really a big turnout we didn't sell much t-shirts, or goodies but all the flowers sold thank y'all for donating decorations and goodies and thank you Billie for ordering the flowers. I started with very little decorations and ending up with a over filled box of the decorations that would be able to use next year for the valentines dance and if they are still good then the year after that could be used... we ended up using the dj for the dance it charged us \$150.00 but it was ok... With the deductions for rent for the Chili cook-off and the valentines dance to the condor club we lost a lot of money but the little we made after wasn't much but it works...

We still have t-shirts for sale a lot of them the candy that was left will be sold at the crawfish boil..

We need to order the crawfish very soon because the crawfish boil is right around the corner.

Also I will be making updated flyers for our camp out 22nd fellowship by the lake.. I will have them at the next ASC but will be emailed out to all@nascona.org and so on.,.

In loving Service,

James W.
