

Public Relations NASCONA Report – March 2, 2014

As Area Public relations Committee Chair. I have printed the service Manuel and Planning book placed in a three ring binder for the purpose of sharing with future committee members. I am currently out of town on business however have contacted the area PI rep and have talked with him on how they conduct service in this area as meetings are few in the downtown area of San Antonio which is where I am currently working. This concludes my report for this month more to follow as a willing service committee member I hope to get the word out to the area public on what we are what we provide as far as caring the message that "any addict can stop using lose the desire and find a new way to live." In grateful service thank you for allowing me and believing in me.

Ronnie J. Better Late than Never
