

Webservant Report NASCONA March 1, 2015

Our web site is doing great and we are still getting a lot of traffic. To my knowledge our site is up to date and there are no dead links. To date we have had 228,425 hits on our website sense it was put on line.

Our ranking in the various search engines is still good and we get a few emails each month. I have managed to keep our site updated. I am having a problem with the meeting map page, as the format was changed. I will have the problem resolved as soon as possible.

I will not be able to attend the ASC today as my dad is sick. I am the only one here with an auto.

In Loving Service,

Bob T.
