Webservant Report NASCONA May 31, 2015

Our web site is doing great and we are still getting a lot of traffic. To my knowledge our site is up to date and there are no dead links. To date we have had 247,264 hits on our website sense it was put on line.

There really isn't much to report. I am having a hard time getting around and have had to rely on others to help me. I will check into getting an electric scooter. What I am saying is it is hard for me to get to some places. My intentions are to attend our ASC's. However, the ASC's where I have to walk a long way (for me) I will not be able to do so.

ILS,

Bob T.
