

## Co-Facilitator Report

Good evening family. I had the opportunity to make an appearance at the chili cook off. I was only able to stay a few minutes due to three eager children ready to go. I dropped off the cakes for Happy Joyous & Free's cake auction. Brenda W. told me ,later, that the cakes made for a good fundraiser. I also got some information together regarding Consensus Based Decision Making. I emailed it out to the all@nascona.org address. Thank you to Bob T. for reformatting what I sent to a more common PDF that everyone is familiar with. Basically I found information from other ASC's around the U.S. in hopes that it may shed some light on our decisions with CBDM, going forward. Scott C. also sent me some information on CBDM but I wasn't able to open it, the link was as follows... Thank you for allowing me to be of service.
