I printed the report to show what was bring in the charge me a 3% fee I took off the total . I enclosed a check for 470.35 from my checking account**

**Also we can Reserve our sites five months before the day of our camp out. If we get shelters 1 through 13 we can all be together. Or we could move to the other side of the park and it's really nice there. I think that we should try it in the new spot next year year.**
