

Serious Undertakings Group

GSR Report

April 5, 2020

Greetings Family, at Serious Undertakings, we are currently still meeting physically, although this will probably soon change due to very low attendance and the need to socially distance. We did meet for our group conscience on Sunday, March 29th and discussed the possibility of setting up Zoom meetings for our group as well as issues concerning Fellowship by the Lake. We did come to agreement that the campout needed to be cancelled and that we should seek refund from the park for the tent sites. We also discussed the possibility of a future proposal to combine Fellowship by the Lake with the Woodna Campout in October but at that time we thought it best to cancel Fellowship by the Lake for 2020 and wait to see if there was some way to help the Woodlands Group to prepare for the possibility of increased attendance and ensure that their campout is the success it has always been without trying to combine the two distinct campouts.

We have no known birthday celebrants for the month of April. We do intend to send to the P.O. Box our regular donation for April and will probably be able to make a donation for the month of May but our financial income has practically come to a stop so we are not sure what our financial support for area will be in future months. We have been meeting at Sundays at 7:00 pm and Thursdays at 8:00 pm. I will make notification to area if we discontinue those meetings and set up zoom meetings.

In Loving Service.
