

## Northside Area Activities for April 5<sup>th</sup> 2020 ASC

Fellowship by the Lake campout has been cancelled. The Park cancelled our shelter sites and has refunded the money for those. I sent an email to the 0123 and posted in NASCONA Facebook asking for Group Conscience concerning having campout with the limitations of tent sites only and “gathering” restrictions. The following groups reported CANCEL campout; Happy joyous and Free, Tomball New Attitudes, The Woodlands Group, Hope without Dope, Better Late than Never and Serious Undertakings. Jeremy will call Park to cancel the tent sites.

Members/groups had suggested combining FBTL with the Woodna campout in the Fall. I brought this to The Woodlands Group group conscience and they were open to the idea. We discussed this in the Northside Activities meeting and was suggested instead of combining the campouts Northside may want to support the Woodna campout and to ask Woodna what they may want from Area and bring that to the next ASC

We decided to have a Zoom Speaker Jam April 24<sup>th</sup> for “Fellowship NOT by the Lake”. Jeremy is getting some awesome speakers lined up.

We will sell T-shirts through Venmo. We bought 73 shirts (including the 3 for serenity keepers) at an average of \$8.60 each. We will propose selling them for \$10.00 each to recoup some of the expense. Anyone that has a ticket for the Crawfish Boil we can refund money or they can choose to donate it to Fellowship by the Lake.

Thank you everyone!

In loving service  
Glenna K
