Greetings family.

Not much to report, but I did actually speak on a panel for coastal bend area h&I via zoom. Can't help but to think that this is an awesome tool I believe that could be utilized in our work to carry the message to addicts in facilities we can't reach yet in person. Maybe a sub committee meeting is in order to discuss the possibility. As long as the facility has willingness, and capability to do this, I dream of us reaching the unreachable. . Maybe a valuable gift from this horrible pandemic.

I will plan a subcommittee MTG soon.

Thank you

In loving service
