

Greetings!

Had a Zoom meeting Jan 24th ,no one attended.

I did speak with several individuals about changing Fellowship by the Lake to an all day event and will submit a proposal.

Huntsville State Park has a facility

Raven Lodge that can be booked a year in advance, has a full kitchen, can hold now 75% capacity ( 150 peeps) from 8am until 10 pm. It is \$500 payable upon booking...and a refundable deposit of \$250 when we check in. It is climate controlled, has restrooms so rain, shine, hot or cold we can have Fellowshiping, meetings, games whatever for day.We could announce that date and time for event and then people can make their own reservations, if they want to camp for weekend.

Also looking into Virtual Games

The Woodlands Group will be having a " hybrid" Bingo feb 19th at 6pm
