

Greetings,

I have been scheduled to work this coming Saturday and if weather permits have an obligation that conflicts with attending the RSC.

The Second Quarter Regional Service Conference will be via virtual platform on May 8, 2021.

Steve P the current RDA was approved and elected as our Regional Delegate at the Regional Assembly on March 13, 2021.

Ruben P from Central Texas was nominated and qualified for the RDA position.

Thirty-two participants were present with twenty-one voting members "GSRs."

In other business the Monthlong sharing proposal from the North Idaho Region was discussed. The participation requirements along with dates and timeslots available will be communicated. This information gathering has been tasked to the current RD.

A proposal from our Region to have NAWS form a study with a deadline to relocate to a more financially responsible location was discussed and will be submitted for NAWS to review.

IL&S.

Brian N.
